Gentlemen:

This is in reference to your request in a letter dated October 21, 1986, to amend License No. 37-17870-01. In order to continue our review, we need the following additional information:

1. Please identify the manufacturer and model number of the survey instruments used by J. P. Bhatnagar in order to measure residual radioactivity while performing the closeout survey.

We will continue our review upon receipt of this information. Please reply in duplicate to my attention at the Region I office and refer to Mail Control No. 106338.

If we do not receive a reply from you within 30 calendar days from the date of this letter, we shall assume that you do not wish to pursue your application.

Sincerely,
