Dear Sir:

This is a Freedom of Information Act request for the following document to be placed in the Public Document Room:

1. Transcript of 10/17/83 Commissioners' briefing regarding the Diablo Canyon Independent Design Verification Program (IDVP).

It appears as though the above briefing may have been closed to the public. However, a handout provided to Commissioner Gilinsky at the briefing has been located, and the handout documents the existence of the briefing. The NRC PDR accession number for the handout is 8310190054.

If clarification is needed, please call me at (813) 796-2264. Thank you for your assistance.

Sincerely,

*R. K. Buckles*
