Re: Freedom of Information Act Request

Dear Mr. Grimsley:

Pursuant to the Freedom of Information Act, 5 U.S.C. 552 et. seq., I hereby request that you provide me with copies of the following documents:

All NRC documents relating to the Public Service Co. of New Hampshire's proposed reduction of the emergency planning zone at Seabrook. That would include summaries of meetings with the applicant, discussions with Brookhaven National Laboratory on its review of Seabrook studies and other relevant material.

I would also like any documents on changes to containment that NRC is considering for General Electric plants generally, and to Pilgrim and Vermont Yankee in particular.

All documents regarding the inspection of Pilgrim I since its shutdown in April.

In the event that the search and reproduction fees involved in complying with my request do not exceed the sum of \$25.00, I would be grateful if you would send me copies of the documents requested along with your statement of search and copying charges. In the event that those fees do exceed the sum of \$25.00, I would be grateful if you would inform me of the total charges in advance of fulfilling my request.
