FROM:	Kay McGrath Planning and Resource Analysis Branch Planning and Program Analysis Staff		
SUBJECT:	DOE WORK ORDER EXPIRATION NOTICE RE FIN NO.: <i>A0801</i> CONTRACTOR: <i>LLNL</i> TITLE: <i>Rev. of Seabrook PRA</i>		

Our records indicate that the above DOE Work Order will expire on *01/15/85*. If the period of performance is to be extended, or the project otherwise modified, please initiate the appropriate paperwork (see your Division Program Assistant) including justification for such at least two weeks prior to the end of the period of performance.

If the above DOE Work Order will be completed on or before the expiration date, please provide the information requested on the reverse side of this memorandum approximately 30 days after the end of the period of performance.

If accountable property/equipment was purchased under or transferred to this project, please complete and return the attached note to me (Rm. P-426) as soon as possible so that a "reconciled report" may be requested from DOE. If no property was purchased or transferred to this project, just note "N/A" on the attached Note and return it. The appropriate DOE office and the NRC Property and Supply Branch, ADM will be notified of this request.

Please return this memorandum to me through your management chain, as applicable, so that we may initiate close out/deobligation action. Uncosted funds available, if any, will be deobligated.
