Station, Unit No. 1) )

TMIA's TRIAL PLAN

Witnesses

Proposed Area of Cross Examination

- |                                             |                                                                                                             |
|---------------------------------------------|-------------------------------------------------------------------------------------------------------------|
| Baci and Ward. . . . .                      | 1. How the investigators learned of Husted's alleged attempt to cheat on the April 1981 NRC licensing exam. |
|                                             | 2. How the investigators conducted the investigation and interview process.                                 |
|                                             | 3. The reason investigators did not pursue the issue of Husted's alleged cheating attempt with Husted.      |
|                                             | 4. The investigators treatment of alleged cheating attempt in the investigative report.                     |
| P. . . . .                                  | 1. Interview testimony before NRC investigators.                                                            |
|                                             | 2. Testimony of P before the Special Master                                                                 |
|                                             | 3. Deposition testimony given in 1981                                                                       |
| Christopher, Christman and Matakas. . . . . | 1. Husted's attitude, forthrightness and cooperation during NRC investigative interviews.                   |

DS03

Special Master . . . . . 1. Husted's attitude, forthrightness  
and cooperation during 10 December  
1981 testimony.

Brown. . . . . 1. The evaluation process.

TMIA plans to cross-examine all witnesses listed at p. 4 of  
the Report and Order, dated 28 May 1986, to determine the admiss-  
ability of their testimony and to provide background information.

Respectfully submitted,

*Louise Bradford*
