Seabrook Station  
Inservice Inspection Examination Report

This letter provides North Atlantic Energy Service Corporation's (North Atlantic) Inservice Inspection Examination Report for inspections conducted during the second inspection period of the first ten year inspection interval at Seabrook Station. These inspections were conducted during the fifth refueling outage which concluded on June 28, 1997.

The enclosed report is submitted in compliance with ASME Section XI, Article IWA-6230, and includes the required Form NIS-1. A copy of this letter and the enclosed report are being submitted to the State of New Hampshire.

Should you have any questions regarding this matter, please contact Mr. Terry L. Harpster, Director of Licensing Services, at (603) 773-7765.

Ve , truly yours,

NORTH ATLANTIC ENERGY SERVICE CORP.
