Gentlemen:

With your application dated November 10, 1982, regarding receipt, possession and use of byproduct material at the radiochemistry counting facility at the Peach Bottom Atomic Power Station Unit Nos. 2 and 3, your Company remitted a Class III fee (\$4,000) and a Class I fee (\$400). These fees are deemed to be unnecessary because no review had commenced on the November 10 application prior to its withdrawal on January 2, 1987. Consequently, a refund of \$4,400 is being made to your Company. You should receive the refund within two weeks.

Sincerely,
