Gentlemen:

This refers to the inspection conducted by Mr. M. E. Murphy of this office during the period May 12-16, 1986, of activities authorized by NRC Operating License DPR-40 for Fort Calhoun Station, and to the discussion of our findings with Mr. W. G. Gates and other members of your staff at the conclusion of the inspection.

Areas examined during the inspection included fire prevention and protection program and implementation. Within these areas, the inspection consisted of selective examination of procedures and representative records, interviews with personnel, and observations by the inspector. The inspection findings are documented in the enclosed inspection report.

Within the scope of the inspection, no violations or deviations were identified.

Should you have any questions concerning this inspection, we will be pleased to discuss them with you.

Sincerely,

Original Signed By  
J. E. Gagliardo
