JAMES R. LEMONS
MANAGER
NUCLEAR OPERATIONS DEPARTMENT

June 10, 1986

Director, Office of Inspection
and Enforcement
U.S. Nuclear Regulatory Commission
Washington, D.C. 20055

Attention: Document Control Desk

Subject: **May Operating Data Reports for Calvert Cliffs**
Units 1 and 2 (Dockets 50-317 and 50-318)

Gentlemen:

The subject reports are being sent to you as required by
Technical Specification 6.9.1.6.

Also enclosed are pages from the Operating Data Reports for
December 1985 through April 1986. Due to calculational errors,
minor changes have been to these reports, and they are being
resubmitted. The figures which had to be corrected are indicated
in bold.

If there are any questions, please contact Bob Porter,
(301) 260-4868.

Sincerely,

J. R. Lemons
Manager-Nuclear Operations Department
