Dear Sir:

In accordance with 10CFR55.41, I am notifying you of a condition that could affect the performance of my duties as licensed by Operators License number OP - 20321, Docket number 55-20436.

I have been diagnosed as recommended for corrective lenses for distant vision. Although my vision at 20-30 feet became slightly blurred, my normal range of vision in the control room (6-12 feet) was unblemished.

Sincerely,

Eric F. Craft
