COPYRIGHT NOTICE

Vogtle Electric Generating Plant proprietary drawings and figures which are referenced in Table 1.7.1-1 of the UFSAR are submitted to the Nuclear Regulatory Commission (NRC) separately as individual documents bearing respective Proprietary Notices. Southern Company, hereby grants the NRC the authority to make the number of copies of these proprietary documents which are necessary for its internal use and to fulfill its legal responsibilities as regards public disclosure. This copyright notice covers the following type of documents generic or plant-specific reviews or approvals or the issuance, denial, amendment, transfer, renewal, modification, suspension, revocation, or violation of a license, permit, order, or regulation. This authorization is granted with the understanding that any copies of the publication made by the NRC will continue to bear the proprietary notice, which will be reproduced along with any portion of the publication.

Southern Company Generation and
Engineering Services
