APR 8 1986

MEMORANDUM FOR: Harold R. Denton, Director, Office of Nuclear Reactor Regulation
James M. Taylor, Director, Office of Inspection and Enforcement
Guy H. Cunningham, III, Executive Legal Director

FROM: James G. Keppler, Regional Administrator, Region III

SUBJECT: PROPOSED ENFORCEMENT ACTIONS FOR FERMI 2 ROD PULL ERROR

Attached for your review please find a predecisional draft memorandum with the Region III proposed enforcement actions for Fermi 2 regarding the control rod withdrawal errors on July 1, 1985. This is the same memorandum which we transmitted informally on Friday, April 4, 1986.
