Pursuant to the Freedom of Information Act (5 U.S.C. 522), as amended, the Coalition for Responsible Energy Education ("CREE") hereby requests any and all NRC records and information relevant to and/or generated in connection with the following:

- the December 3, 1985, expression of concern by Palo Verde Nuclear Generating Station (APS/ANPP) employee Blaine P. Thompson to the Palo Verde Resident Inspector's Office regarding alleged aberrant behavior by members of the Palo Verde security staff and any and all subsequent contacts between Mr. Thompson and any NRC office whatsoever;
- any and all contacts whatsoever between the NRC and Palo Verde plant management and/or APS/ANPP regarding said aberrant behavior allegations;
- any and all contacts related to the Department of Labor case of Blaine P. Thompson v. APS/ANPP;
- the appearance, in the Arizona Republic, February 26, 1986, of an article discussing exit interview comments of the NRC on Palo Verde security and any and all subsequent contacts between NRC and APS/ANPP, Department of Labor, the media, the Arizona Corporation Commission, or any other entity or individual whatsoever, regarding said article and/or subsequent investigations relating thereto;
- the use of polygraphs at Palo Verde Nuclear Generating Station.

Please consider "records and information" as including but not being limited to reports, memoranda, lists, correspondence, notes and summaries of conversations and interviews including telephone memos, meeting notes, meeting minutes, working papers, tapes, graphs, charts, diagrams, photographs and photocopies, studies, test results, computer records and printouts, attendance lists,

PDR FOIA
SCOTT86-314 PDR

Inspection Reports and Notices, investigation reports and notes, and any written communication whatsoever, including internal NRC Staff memoranda.

This includes but is not limited to: allegation reports and investigative notes and findings related to the December 3, 1985, contact, the February 26, 1986, article, and any other relevant allegations and/or investigations whatsoever; any and all correspondence and/or discussions between NRC and any representative of Arizona Public Service Company/Arizona Nuclear Power Project whatsoever related to said allegations/investigations; attendance lists for the NRC Exit Interview Meeting of February 14, 1986, and any and all other meetings related to that inspection; any and all materials related to discussions between Blaine P. Thompson and each of the following: Dennis Schaeffer (February 10, 1986), Ron Meeks (February 10, 1986), Owen Shackleton (February 11, 1986 and February 12, 1986); any and communication between NRC and any representative of APS/ANPP, Department of Labor, and/or Department of Justice or any other entity or individual whatsoever regarding possible safeguards implications of the February 26, 1986, Arizona Republic article and related media contacts and/or the use of polygraphs in relation thereto; any and all investigations into release of Palo Verde safeguards information to the media by NRC or any other governmental agency whatsoever.

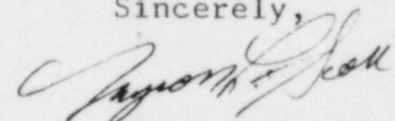

For any specific documents or portions that you deny due to a specific FOIA exemption, please provide an index itemizing and describing the documents or portions of documents withheld. The index should provide a detailed justification of your grounds for claiming each exemption, explaining why each exemption is relevant to the document or portion of the document withheld. This index is required under Vaughan v. Rosen (I), 484 F. 2d 820 (D.C. Cir. 1973), cert. denied, 415 U.S. 977 (1974).

CREE requests that copying and search charges be waived, pursuant to 5 U.S.C. 522(a)(4)(a), "because furnishing the information can be considered as primarily benefiting the general public." CREE is a volunteer-supported, non-profit, non-partisan public education and advocacy organization. CREE has petitioned to intervene in the DOL case of Blaine P. Thompson v. APS/ANPP or, in the alternative, to file an amicus curiae brief therein. CREE intervenes in matters related to Palo Verde Nuclear Generating Station before the Arizona Corporation Commission and in other proceedings.

These requests, where appropriate, should be deemed continuing in nature.

We look forward to hearing from you within 10 days as the law stipulates.

Sincerely,

Myron Scott,
C.R.E.E.
