Hello Ed,

Yes. Your suggestion is excellent. Please add these documents to ADAMS. I will mail new copies of these documents to the DCD with the correct docket number.

Thanks for your assistance,

Rusty

Hi Rusty,

We have been able to go ahead and obtain a docket number for Abilene Christian University (ACU): 99902088. If you have not yet sent additional copies of the Letter of Intent (LOI) and the Regulatory Engagement Plan (REP) to the Document Control Desk (DCD) and plan to do so, it will be helpful if you can include this docket to ensure they are filed correctly in ADAMS. The docket number should be included in any future correspondence sent to NRC DCD as well.

We will await receipt of official copies of the LOI and REP by DCD, and their entry into ADAMS. However, in the meantime, I can place your email below and this response, and your attached electronic copy of the LOI, in public ADAMS (on the 99902088 docket) to document interactions so far (I also note the ACU drop-in visit with NRC in November 2019). Please let me know if this is acceptable and I will add the documents, and also please feel free to call if any questions.

Thanks,
Ed

Subject: [External_Sender] LOI and REP from ACU

Hello Ed, Greg, and Molly-Kate,

Thank you for your time today on the phone. Attached are electronic copies of the LOI that was mailed on March 20, 2020 and the Regulatory Engagement Plan and cover letter that were put in the mail last Friday. If it would be helpful to have hard copies mail to a different address, please let me know.

As we discussed, it would be helpful to us to receive a project or docket number from NRC as soon as possible so we can include that when we apply to the ARDP which is due early next month.

Again, thank you for your help. We look forward to working with you,

Rusty
