pg 12 - see attached

Page 17 in g. Change April 1, 1999, to January 1, 1999 ✓

Page 20. top of page. I had a hard time understanding this. Perhaps if some definitions in parenthesis could follow Part 72 and Part 71 this would make it clearer. *OK - type for Part 71 (SB Part 71)*

Page 26. Under 3 first sentence. Is it needed or this just a comment for you.

Page 26 under 3.a. first sentence The nrc is proposing ✓

Page 48 (2)(c)

Put resident before inspector in line 3.

Page 49 under (2) do you need to include the rest of the paragraph regarding early site reviews, etc.

Page 49 Should Special Project Fee be (d) (1) This would then be followed by (2), (3), (4) which cover standard plants and early site reviews

Language for page 12

Insert after Treasury, 4th line

Because of the Department of Treasury's requirements that all Federal payments (other than payments made under the Internal Revenue Code of 1986) made after January 1, 1999, must be made by electronic funds transfer, information on the payee's financial institution and bank accounts must be collected.
