Laguna Beach, CA 92651

Dear Ms. Collison:

This is in response to a Petition pursuant to 10 CFR 2.206 filed by you on May 27, 1986 on behalf of the City of Laguna Beach. The Petition requests that the Nuclear Regulatory Commission extend the 10-mile radius of the emergency planning zone (EPZ) for the San Onofre Nuclear Generating Station to include Laguna Beach and South Laguna because of concerns related to the adequacy of emergency planning for the residents of the two communities. For the reasons set forth in the enclosed "Director's Decision Under 10 CFR 2.206" the Petition has been denied. A copy of the decision will be referred to the Secretary of the Commission for the Commission's review in accordance with 10 CFR 2.206(c).

Sincerely,

  
James M. Taylor, Director  
Office of Inspection and Enforcement
