Attention: Director, Division of Licensing  
and Regulation

Reference: License No. DPR-7 (Docket No. 50-133)  
Humboldt Bay Power Plant, Unit No. 3

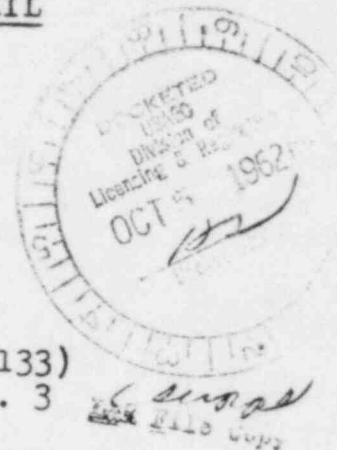

Gentlemen:

Pursuant to Section 50.59 of 10 CFR 50, Pacific Gas and Electric Company hereby requests that the first paragraph of subsection III.A.1. of the Technical Specifications (page 4) be changed in order to be more specific concerning the words "body of the first isolation valve" in the third line from the bottom of the page. It therefore is proposed to add at the end of that line the following:

"The valve body includes an extension  
piece if used."

Your early approval of this change will be  
appreciated.

Subscribed in San Francisco, California, this 3d
