Re: Indemnity Agreement No. B-21

Dear Mr. Price:

The above-numbered indemnity agreement, which covers Unit No. 3 of our Humboldt Bay Power Plant, includes a map which outlines the location of the indemnified facility in red. Certain changes in the location of the fence separating Unit No. 3 from the remainder of our Humboldt Plant have been made since the agreement was signed. The map has been revised to reflect these changes, and I enclose 12 copies of the new map for attachment to your copies of the above-numbered agreement. The map presently attached to the agreement should be removed and destroyed.

Sincerely,

Richard H. Peterson
