Docket No. 50-440

The Cleveland Electric Illuminating  
Company  
ATTN: Mr. Murray R. Edelman  
Vice President  
Nuclear Group  
Post Office Box 5000  
Cleveland, OH 44101

Gentlemen:

This refers to the special team inspection to review the Licensee's reportable event program conducted November 5 through 7, 1986. This also refers to the discussion of the teams findings with Messrs. M. Lyster, C. Shuster, F. Stead, and other members of your staff at the conclusion of the inspection.

The enclosed copy of our inspection report identifies areas examined during the inspection. Within these areas, the inspection consisted of a selective examination of procedures and representative records, observations, and interviews with personnel.

No violations of NRC requirements were identified during the course of this inspection. However, the inspectors identified several observations to enhance your ability to identify, correct, and reduce reportable events. These observations are identified in Section 7 of the attached report. Please respond within thirty days of receipt of this letter to these observations, including a description of actions you have taken or plan to take to address the observations.

In accordance with 10 CFR 2.790 of the Commission's regulations, a copy of this letter and the enclosed inspection report will be placed in the NRC Public Document Room.

The responses directed by this letter are not subject to the clearance procedures of the Office of Management and Budget as required by the Paperwork Reduction Act of 1980, PL 96-511.
