Gentlemen:

This refers to your letter dated April 29, 1987, submitted pursuant to 10 CFR 30.34(b), requesting NRC consent with respect to a proposed restructuring plan by which Consumers Power Company will become a wholly owned subsidiary of CMS Energy Corporation. With regard to the byproduct material licenses, be advised that NRC consents to the restructuring based on the statements in your letter that no changes in the licensed operations will occur.

No amendments to the byproduct material licenses are necessary. Therefore, we have advised the License Fee Management Branch to refund your submitted check for the amount of \$470.

If you have any questions or need clarification on any point, you may contact us at (312) 790-5500.

Sincerely,
