

JUN 26 1986

Monsanto Company  
ATTN: Mark E. Holland, Ph.D.  
Radiation Safety Officer  
800 North Lindbergh Boulevard  
St. Louis, MO 63166

Dear Dr. Holland:

Enclosed is Amendment No. 07 to your NRC License No. 24-01113-23 in accordance with your request.

Please note that Subitem 8.G. of your license has been modified to accommodate any number of 8 millicurie Varian electron capture sources. This will eliminate the need for frequent changes of this item. The addition of Condition 21. permits such a modification. Also note that by incorporation of letter dated May 1, 1986, into Condition 19. of your license, Mr. Siegel has been approved as Assistant Radiation Protection Officer.

If you have any questions or require clarification on any of the information stated above, you may contact us at (312) 790-5625.

Sincerely,

William J. Adam, Ph.D.  
Materials Licensing Section
