Re: License No.: 12-19833-01
Control No. 831010

Gentlemen:

At this time, UPA Technology would like to expedite the amendment of by product material license 12833-01 with respect to the recent change in Radiation Safety Officer. This amendment should be completed separately from the license renewal in order to save time and smooth our daily operations.

Please do not hesitate to contact me at 516-364-1080 if any other information is needed. Thank you.

Sincerely yours;

Thomas Petralia, Jr.
