Dear Mr. Lear:

DOCKET NOS. 50-266 AND 50-301  
NOTIFICATION OF TELEPHONE NUMBER CHANGE  
POINT BEACH NUCLEAR PLANT

This letter is to inform you that effective on September 29, 1986, the telephone numbers of all corporate office based personnel at Wisconsin Electric Power Company are changing from a 277- exchange to a 221- exchange. The extension numbers will not change. For example, my number will be changed on September 29 from 277-2018 to 221-2018. This change is a result of the installation of new telephone equipment at our corporate office. Telephone numbers at our Point Beach Nuclear Plant will not be affected by this change. Please notify your staff of these changes.

A formal change to the Point Beach Emergency Plan which includes these new numbers will be sent to you in the near future.

Very truly yours,

Edward J. Lipke, Ph.D.

and Regulation Section
