Gentlemen:

Enclosed please find my application for renewal of
NRC License #'s 21-19345-01G and 21-19345-02. I wish to
renew these licenses as is with the exception of disposition
of solid waste and survey meter frequency of calibration.

I wish to change my solid disposition to reflect under-
ground vault storage on premises until waste is at background.
Waste will then be disposed of in regular trash. In addition,
I wish to change the frequency of calibration of our survey
meter from 6 months to 1 year intervals.

Enclosed please find license fees totaling \$2,100.00
to cover renewal.
