Dear Mr. Leske:

With reference to the Slick Rock UMTRA Project site, this letter serves to document my request for additional information needed to complete my review of the draft Remedial Action Plan and the draft Environmental Assessment Report. This information includes the following:

1. Slug test and pump test data used to support conclusions in the subject documents relating to potential ground-water impacts in the vicinity of the processing and disposal areas, ground-water flow rates and natural clean-up of ground water.
2. Report UMTRA-DOE/AL-0245, Data for the Geochemical Investigation of UMRAP Designated Sites at Slick Rock, Colorado, prepared by GEGR of Rapid City, South Dakota, 1983.

Should you have any questions regarding this transmittal, please contact me on (FTS) 427-4450.

Sincerely,
