Gentlemen:

The enclosed license application is for renewal of Granite City Division, National Steel Corporation, NRC License Number 12-16682-01. The application indicates several changes in personnel, most noteworthy the Radiation Safety Officer, which have occurred since the last license renewal. Another change is in the Radiation Safety Program, which is the addition of a Geiger-Mueller meter for radiation detection and the removal of a Searles "Cutie-Pie" as noted in Item 10.

If there are any questions concerning this renewal application, please contact Tom Frank or Doug Stracke at 618/451-4026.

Very truly yours,

Fred Steinkuehler
