Arlington, TX 76011

SUBJ: Application for renewal of byproduct materials license
Control No. 460655

This is in reponse to your letter dated October 7 requesting additional information:

1. Page 3 of Form 313M has been signed and is enclosed;
2. Page 2 of Form 313M is completed as requested including revision and date of the Regulatory Guide that was used in completing the application;
3. We are enclosing a copy of the change to Medical Center Policy 115-1 (see Attachment A);
4. Also enclosed is a copy of the change to Medical Center Policy 115-2 (Attachment B);
5. We do not use Group IV and V materials at this Medical Center and therefore they have been deleted from our application.

JAMES S. EXPARZA
Medical Center Director
