Gentlemen:

Thank you for your letter dated October 24, 1986, informing us of the steps you have taken to correct the violation identified in our letter dated October 6, 1986. With respect to the violation, while your letter states that you have filed an application for an appropriate amendment to achieve corrective action for the violation, it should be understood that no activity is in accord with NRC regulatory requirements unless and until it is specifically authorized in an NRC license. Steps should be taken to ensure that NRC-licensed materials are hereafter possessed and used only as authorized by your license. We will examine this matter during a future inspection. Your amendment request will be forwarded to our Regional Licensing Section.

Your cooperation with us is appreciated.

Sincerely,

D. G. Wiedeman, Chief  
Nuclear Materials Safety
