Attention: Dr. J. H. Buck, Vice President

Gentlemen:

This letter relates to the discussion Mr. Eugene Epstein of this office held with Dr. J. H. Buck on May 20 and June 30, 1966 concerning the inspections conducted May 19, 20, 26 and June 30, 1966 of the activities authorized under AEC Byproduct Material License No. 37-611-3.

As noted during the discussion, it appears that certain of your activities were not conducted in full compliance with AEC requirements and with a condition of the license. The items and references to the pertinent requirements are listed in Item 5 of the attached Form AEC-592.

It is noted that the deficiencies noted as Items (a) and (d) on the attached Form AEC-592 were corrected immediately following the inspection of May 19 and 20, and no further correspondence is required in these matters.

The purpose of this letter is to give you an opportunity to advise us in writing of your position concerning items (b), (c), and (e), of any corrective steps you have taken

or plan to take with respect to them, and the date all corrective action was or will be completed. Your reply should be sent to us within 20 days of the date of this letter to ensure that it will receive proper attention in our further evaluation of this matter.

Should you have any question concerning these matters, you may communicate directly with this office.

Very truly yours,

Robert W. Kirkman, Director
Region I, Division of Compliance
