Gentlemen:

This refers to the enforcement conference conducted at the request of the NRC at the Region IV office on November 4, 1986. This conference related to activities authorized by NRC License R-78 for the University of Kansas Nuclear Reactor Facility. This conference was attended by you, other representatives of the university, and NRC Region IV personnel.

The subjects discussed at this conference are described in the enclosed meeting summary.

It is our opinion that this enforcement conference was beneficial and has provided a better understanding of the NRC regulatory requirements as they relate to your reactor program. In accordance with Section 2.790 of the NRC's "Rules of Practice," Part 2, Title 10, Code of Federal Regulations, a copy of this letter will be placed in the NRC's Public Document Room.

Should you have any questions concerning this conference, we will be pleased to discuss them with you.

Sincerely,

ORIGINAL SIGNED BY:

J. E. Gagliardo, Chief
Reactor Projects Branch
