RE: License SUB-1010; Docket 40-8027
IOT Members - Signed Statements

Dear Mr. Martin:

In our letter dated November 6, 1986 SFC forwarded for your review and approval resumes of six individuals whose names were to be added to the Independent Oversight Team (IOT) roster. As a follow-up to this letter we have enclosed five (5) signed statements attesting that the individuals named have never been employed at Sequoyah Facility by Kerr-McGee Corporation, Kerr-McGee Nuclear Corporation or the Sequoyah Fuels Corporation. The sixth individual, Mr. P.F. Tischler is no longer being considered for membership on the IOT. In addition to the Program Manager and Assistant Program Manager, 13 team members have received the requisite training for performing shift coverage of the Sequoyah Facility.

If you have any questions, please contact me at your earliest convenience.
