Gentlemen:

Subject: Inspection No. 030-19386/86-01

This refers to the routine safety inspection conducted by Mr. Lester M. Tripp of this office on September 10, 1986 of activities authorized by NRC License No. 20-20532-01 and to the discussions of our findings held by Mr. Tripp with you.

This inspection was limited to a review of your plans to use licensed material under the authorization of this license. It is our understanding that you have never used licensed material under authorization of this license and do not intend to use material in the near future. We further understand that you will notify this office by telephone or in writing prior to using material. If our understandings are incorrect, please inform us in writing.

Within the scope of this inspection, no violations were observed.

In accordance with Section 2.790 of the NRC's "Rules of Practice," Part 2, Title 10, Code of Federal Regulations, a copy of this letter will be placed in the Public Document Room. No reply to this letter is required; however, should you have any questions concerning this inquiry, we will be pleased to discuss them with you.

Your cooperation with us is appreciated.

Sincerely,
