Dear Mr. Carey:

SUBJECT: BEAVER VALLEY UNIT 2 - ONSITE REVIEW BY THE EQUIPMENT QUALIFICATION (EQ) REVIEW TEAM

In response to your letter dated May 23, 1986, we held a meeting with your staff and contractor personnel on July 1, 1986 in preparation for the EQ onsite review. Subsequent to the meeting, your staff agreed that the onsite review will take place from during November 17 to 21, 1986. Also, subsequent to the July meeting, a revised EQ report was submitted by you on September 20, 1986.

The EQ review will be conducted by the following personnel: Harold Walker of NRC, and H. L. Magleby and M. Trojovsky of EG&G Idaho, Incorporated. Please ensure that these personnel are granted the necessary security passes for easy access.

We will be in touch with your staff (E.T. Eilmann and R. Martin) to work out additional details of this onsite review. Thank you for your cooperation.

Sincerely,
