MEMORANDUM FOR: Jane A. Axelrad, Director, Office of Enforcement Staff, IE  
FROM: William H. Schultz, Enforcement Coordinator, RIII  
SUBJECT: SHELWELL SERVICES, INCORPORATED

During a conference call on March 8, 1984, Messrs. E. D. Flack, IE; R. K. Hoefling, ELD; J. Lieberman, ELD; S. H. Lewis, RIII; and I discussed options for closing out the Shelwell Services, Incorporated case. Since the licensee has already taken adequate corrective action, RIII concurs with the position of ELD and the Enforcement Staff, IE that nothing would be gained by issuing a "no response" Notice of Violation. Accordingly, RIII will take no further action and considers the case closed.
