Dear Dr. Glenn:

Please renew my NRC license - License # 37-19931-01. Since initial application, on February 18, 1982, there have been no significant changes in our facility and radioactive material we handle. Only change has been the change of supplier for our personnel monitoring servicing. Initial application states Seamons Gammasonics Inc. This is now changed to R.S. Landauer, Jr. & Co., Glennwood, Illinois 60425. A copy of our document is also enclosed.

There has been no other changes in our program in this facility.

I appreciate your advice and timely notification of this matter.

Sincerely,

Andrew Chough, M.D.
