Re: NRC License 34-13832-01

To Whom It May Concern:

The purpose of this correspondence is to inform you that, as of this date, we are in full compliance with NRC Table 3 "Activities of Radiopharmaceuticals that Require Instructions and Record..." in Regulatory Guide 8.39 "Release of Patients Administered Radioactive Material."

Any questions regarding this correspondence may be directed to Frederick W. Urban at (216) 982-1110.

Sincerely,

*Glade E. Hart*
