SUBJECT: CLINTON POWER STATION - WITHDRAWAL OF SCHEDULAR EXEMPTION
REQUEST (TAC NO. MA0321)

Dear Mr. Sipek:

By letter dated December 19, 1997, you applied for a schedular exemption from 10 CFR Part 50 Appendix E, "Emergency Planning and Preparedness for Production and Utilization Facilities," regarding performance of the next biennial exercise for Clinton Power Station. The proposed change would have permitted the full-participation exercise due to be completed in 1998 to be postponed until January 1999. Subsequently, by letter dated April 6, 1998, you withdrew the request.

The purpose of this letter is to advise that the above-cited application is being treated as withdrawn.

Sincerely,
