Annual Report of Individual Occupational Radiation Exposure Monitoring

In accordance with 10 CFR 20.2206(b) and (c), this letter transmits the results of individual radiation exposure monitoring performed at the Trojan Nuclear Plant for the calendar year 1997. The accompanying diskette contains an electronic NRC report as specified in Appendix A of Regulatory Guide 8.7, "Instructions for Recording and Reporting Occupational Radiation Exposure Data." These electronic records are transmitted in lieu of printed NRC Form 5 reports. The enclosed individual monitoring results contain confidential information and should be withheld from public disclosure in accordance with 10 CFR 2.790(a)(6).

The following information applies to the diskette enclosed with this transmittal:
