Gentlemen:

SUBJECT: NRC INSPECTION REPORT NO. 70-824/91-01

This refers to the inspection conducted by A. Gooden of this office on January 22-25, 1991. The inspection included a review of activities authorized for your Research Laboratory. At the conclusion of the inspection, the findings were discussed with those members of your staff identified in the report.

Areas examined during the inspection are identified in the report. Within these areas, the inspection consisted of selective examinations of procedures and representative records, interviews with personnel, and observation of activities in progress.

Within the scope of the inspection, no violations or deviations were identified.

In accordance with 10 CFR 2.790(a), a copy of this letter and its enclosure will be placed in the NRC Public Document Room.

Should you have any questions concerning this letter, please contact us.

Sincerely,
