Dr. C. M. Birdsall
Research Laboratories Analytical
Research Group
Tonawanda Laboratories
Linde Air Products Company
E. Park Drive and Woodward Avenue
Tonawanda, New York

Subject: LICENSE NUMBER 31-308-3

Dear Doctor Birdsall:

Enclosed is the subject license for byproduct material issued against your application of January 25, 1957.

Please note that the 20 millicurie Strontium 90 source has been licensed for storage only, pending arrangements for its proper disposal, and that it cannot be replaced under this license. The disposal must be made through an authorized disposal service.

If we can be of further assistance, please do not hesitate to write to us.

Very truly yours,

James W. Hitch
Assistant Chief
Byproduct Licensing Branch
Isotopes Extension
Division of Civilian Application

- WJH*
- Enclosure:
1. License Number 31-308-3
 2. AEC 313 w/b, instructions and regulations.

Brinkman/hm
