Kerr-McGee Center
Oklahoma City, OK 73125

Dear Mr. Milligan:

As requested in your addendum of November, 1976 for renewal of former
AEC Source Materials License Number SUA-616 is hereby amended as follows:

17. This amendment authorizes operation of evaporation ponds
as described in addendum dated November, 1976 to renewal
application.

All other conditions of this license shall remain the same.

Sincerely,

Alphonso A. Topp, Jr.
Environmental Scientist III
