**RE: Inactivation Request to Sealed Source Device Registration No. NR-1267-D-102-E**

Hereby, Rapiscan Systems, Inc. ("Rapiscan"), request for an approval to inactivate Sealed Source Device Registration No. NR-1267-D-102-E.

Rapiscan confirms that we will no longer commercially distribute the products listed under NR-1267-D-102-E and no changes were made to the product since its initial registration or last amendment.

Rapiscan will continue providing the services (including source replacement and availability) to users of the products in accordance with all the conditions in the certificate and the Rapiscan's specific license.

We also confirm that there has been total of 308 products sold till end of 2018 and the number of products still in use are about 100 units.

If you have any questions please call Mershad Shahabidin at 310.349.2494 or 424.236.0314 or email at [MShahabidin@rapiscansystems.com](mailto:MShahabidin@rapiscansystems.com).

Sincerely,

A handwritten signature in blue ink that reads "V. Vartanian".
