Subject: Exam cancellations due COVID-19
Date: Tuesday, April 21, 2020 10:26:00 AM

Zarva,

This email is to follow up on your monrning request. As of today TAMU TRIGA cancelled the scheduled March exam, NCSU cancelled the scheduled April exam, and UTexas-Austin cancelled the scheduled May exam.

We sent exam confirmation letters to TAMU and NCSU. If you need additional supporting information like the email communication between me and the facilities please let me know.

FYI, the next exam in my calendar is NIST scheduled for mid June. This exam is still up but thing might change as the situation remains fluid. I will let you know regarding the need of an exam confirmation letter or a cancellation of the exam otherwise.

Have a blessed day!
Paulette
