Summary of Changes to Two Forms that Implement the Radiological Emergency Response Plan (RERP) for Wolf Creek Generating Station (WCGS)

**1. Form EPF 06-007-02, "WCGS IMMEDIATE EMERGENCY NOTIFICATION"
Rev. 0C**

Form EPF 06-007-02 has been revised to change Senior Resident contact phone number from "937-902-8704" to "785-341-3469." This information has been updated because of a new Senior Resident Inspector assignment. Also, "WESTAR GENERATION OPERATIONS" has been changed to "EVERGY GENERATION OPERATIONS" because of the station ownership merger.

These changes are administrative corrections and do not reduce the effectiveness of the Emergency Plan.
