ADVISORY COMMITTEE ON REACTOR SAFEGUARDS NUCLEAR REGULATORY COMMISSION WASHINGTON, D. C. 20555

January 12, 1977

J.H. Arnold, Chairman
ACRS Reactor Safety Study Working Group

ACRS REACTOR SAFETY STUDY WORKING GROUP MEETING - JANUARY 4, 1977
WASHINGTON, D.C.

A Working Copy of the minutes of the subject meeting is attached for your review. Copies are being distributed to the other ACRS members for information and for review by those who attended.

A corrected version of the minutes, after receipt of your and other comments, will be transmitted to you for certification as to accuracy in accordance with requirements in Section 10(c) of the Federal Advisory Committee Act (P.L. 92-463). After certification, the minutes will become the official record of the January 4, 1977 meeting of the Reactor Safety Study Working Group Meeting.

Richard K Major

Richard K. Major
Assistant Engineer (Intern)
