Mr. Louis D. Stringer
Acting Chief, Branch of Shellfishing
Bureau of Commercial Fisheries
Department of the Interior
Washington 25, D. C.

Dear Mr. Stringer:

I am transmitting herewith a copy of an application and Preliminary Hazards Summary Report recently received from the Pacific Gas and Electric Company proposing construction and operation of a power reactor facility on Bodega Head along the California coast.

In accordance with the Procedure for Cooperation between our agencies, I would appreciate receiving a report of your analysis concerning the aspects of this application that are pertinent to the fish and wildlife in the Bodega area. In this regard, I would plan to file your report in the Commission's public document room and to include it in the record of the hearing on this application.

Sincerely yours,

Robert Lowenstein, Director
Division of Licensing and
Regulation
