

Docket No. 50-205

FEB 11 1963

Mr. Richard H. Peterson  
General Counsel  
Pacific Gas and Electric Company  
245 Market Street  
San Francisco 6, California

Dear Mr. Peterson:

Reference is made to your letter of January 28, 1963 enclosing 15 additional copies of your application for a license to construct and operate a nuclear reactor at Bodega Bay.

In your letter you asked if we wished you to file this many additional copies of amendments and other material which you anticipate will be filed in connection with your application.

Since our distribution requirements for license applications and amendments thereto have increased considerably, additional copies are necessary.

Therefore, we would appreciate it if you would please submit an original and two (2) copies signed under oath or affirmation and fifty (50) additional copies of all amendments and other material submitted in the future in connection with your license application.
