Gentlemen:

This letter is to notify you that the Spearfish SD office of Scott Engineering Company has been purchased by Mr. Neil J. Stodolski. It is now called NJS Engineering. The Troxler 3411-B was acquired in this purchase. We are no longer affiliated with Scott Engineering Company.

Would you please send me the necessary information to change the permit or apply for a new one?

Everything would remain the same on the permit as pertaining to the Spearfish office except for the ownership.

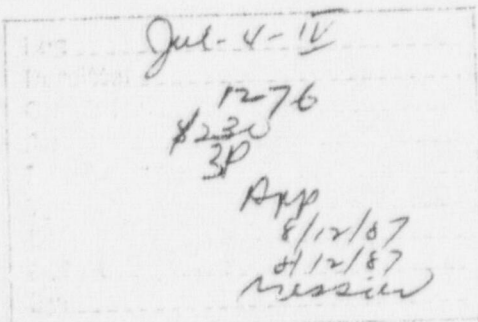

If you should have any questions concerning this matter, please contact me.

Very truly yours,

NJS ENGINEERING
