Re: Docket No. 50-205 (*Suppl. Only*)

Dear Mr. Bryan:

In response to the request set forth in your letter dated January 22, 1963, I enclose 15 copies of our application for a license covering Unit Number 1 at our Bodega Bay Atomic Park including Exhibits A, B, C and D thereto. Do you wish us to file this many additional copies of the amendments and other material I anticipate will be filed in connection with this application?

Yours very truly,

Richard H Peterson
