Subject: Docket No. 50-482: Revised Monthly Operating  
Report Forms

Gentlemen:

Enclosed are revised pages for the January and February, 1987, Monthly Operating Reports which were changed to correct discrepancies in the data originally submitted. The revised pages should replace the original pages in the Monthly Operating Reports submitted for those months. Changes to these pages have been highlighted with revision bars.

Very truly yours,

John A. Bailey  
Vice-President  
Engineering & Technical Services
